The question has been fully considered in the past and I do not think it is desirable to revise the rule and make an exception in favour of the Sri Parakala Mutt. There is no doubt that the management of 17 villages by the Mutt is temporary, and they should work in good office, and there is no justification to waive the postage charges merely because the cost of the collection staff is paid out of Mutt funds.

The present levy is only temporary for 3 years.

The continuance of present arrangements requires further examination now and in that connection whether the levy shd be continued be

Sir,

With reference to Government Order No. 554-5 Muz 38-28-2 dated 4/8th September 1928, ordering the levy 5% contribution from Sri Parakala Mutt as cost of Muzrai Establishments, I have the honor to state that th Mutt is not under the management of Government as is the case with the Sri Sivaganga and Sri Avani Mutts. Those Mutts are supervised by Government in the Muzrai Department and all the sevas and ceremonies conducted by Government Officers pending the assumption of management by the Swamigalu but in the case of the Sri Parakala Mutt all that has been arranged is for Government to collect the revenue only in the Inam village and recoup the loan due to Government as per desire of the Swamigalu as in the case of villages belonging to other Inamdars connected with the Palace. Though the Government Order No. 489-92 Muz 111-25-4 dated the 26th October 1925 purports to act under section 25 of the Muzrai Regulation, it will be seen that none of the functions vested in Government under sections 30 & 31 of the regulation has to be undertaken and it is only the collection of revenue that Government Officers have to attend to. The Mutt has hitherto paid the actual collection charges and requests that the same practice may be continued. In the circumstances mentioned above, the request of the Mutt for the continuance of the existing practice, as a special case, deserves favourable consideration.

I have the honor to be,

Your most obedient servant,

Huzur Secretary.

SIR,

Adverting to your letter No.112/Muz.38-25-6 dated 13th July 1929 requesting to furnish certain information in respect of the annual percentage realisation of Sri Parakala Matt properties under Government management etc., I have the honor to append in the margin the yearwar demand collection and balance. The amount spent on the establishment maintained in the District and Taluk offices for these three years comes to Rs.6587-4-5. It is thus seen that the charges now incurred for the management alone works to 5.17% on the demand and 7-4% on the collections, which is much more than what should be levied under the standing orders for contribution towards the Muzrai Establishment fund. It is therefore but right that the Matt should be excused the further levy of the contribution to the Muzrai ------ Establishment Fund, as it would otherwise operate as a double levy. Until now, now such levy has been made.

Early orders may therefore be kindly obtained exempting the Matt from the levy.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
